

Quality Manager

DEZE VACATURE IS GEPLAATST IN HET
Antilliaans Dagblad

We are seeking a dedicated and experienced Quality Manager to join our team at SEHCF. In this position, you will lead our Quality team and play a crucial role in ensuring our organization's quality of care and services.

This position requires an action-driven, motivational expert in quality with strong leadership skills and the ability to manage multiple priorities in a fast-paced environment. The ideal candidate will have a proven track record for improving quality in the health care sector.

As a Quality Manager, you will be responsible for developing, promoting, and optimizing our quality policy. You will work to transform protocols into practice through effective training and support. Your role involves close interaction with all staff members, ensuring they are fully engaged and making sure they are equipped with what is needed to deliver the highest standards of care. You will also advise and support the management team on quality-related matters, ensuring compliance with industry standards and regulations.

You will be responsible for:

- **Develop and Manage Quality Systems:** Implement and oversee an integral (digital) quality system.
- **Lead Improvement Projects:** Guide projects aimed at enhancing organizational processes.
- **Ensure Compliance:** Coordinate with the Dutch Health and Youth Care Inspectorate (IGJ) to align quality improvement processes.
- **Advise Management:** Support the management team with insights on quality policy and compliance.
- **Conduct Quality Audits:** Plan, conduct, and coordinate quality audits, and draft audit plans.
- **Analyze and Report:** Monitor, analyze, and report on business processes and quality data.
- **Initiate Enhancements:** Propose and lead initiatives for continuous quality improvements.

Who are we looking for?

- **Educational Background:** HBO bachelor's degree in health care management, policy, or quality.
- **Experience:** Minimum of 5 years in a leading quality position within a medical center or hospital.
- **Knowledge:** Staying current with guidelines, procedures, legislation, and developments in quality care.
- **Skills:** Strong communication, advisory, and interpersonal skills with cultural sensitivity.
- **Languages:** Fluency in English and Dutch.
- **Residency:** Willingness to reside on St. Eustatius is highly preferred.

About St. Eustatius Health Care Foundation

The St. Eustatius Health Care Foundation (SEHCF) manages the island's premier and only medical facility. Our dedicated team of 65 professionals includes nurses, doctors, supporting administrative staff, a midwife, a physiotherapist, a gynecologist, and specialized Practice Nurses for chronic care, ensuring comprehensive primary care services for our community.

At SEHCF, our commitment to excellence is reflected in our diverse range of healthcare services. From outpatient services featuring general practitioner care and visiting specialists to community (home) care, emergency response, inpatient care, physiotherapy, and advanced diagnostic services in our laboratory and X-Ray departments. In short, we deliver primary care+. We work hard every day to be a good primary care + medical center, continually enhancing the quality of care for the local population.

We work closely with various stakeholders in our daily operations. For elective specialist care and emergency referrals we maintain strong partnerships with medical centers in St. Maarten and hospitals in Bonaire and Curaçao. Additionally, we work closely with key stakeholders, including the Ministry of Health, Welfare, and Sport and local public health organizations like GGD and GGZ.

What we offer

- **Comprehensive Benefits:** Competitive benefits package
- **Full-time position:** 40 hours per week; for a period of 1 year
- **Career Development:** Opportunity to make a significant impact on the quality of healthcare services in a close-knit community.
